"Schism"

I know the pieces fit 'cause I watched them fall away.
 Mildewed and smoldering. Fundamental differing.
 Pure intention juxtaposed will set two lovers souls in motion
 Disintegrating as it goes testing our communication
 The light that fueled our fire then has burned a hole between us so
 We cannot seem to reach an end crippling our communication.

I know the pieces fit 'cause I watched them tumble down
 No fault, none to blame, it doesn't mean I don't desire to
 Point the finger, blame the other, watch the temple topple over.
 To bring the pieces back together, rediscover communication

The poetry that comes from the squaring off between,
 And the circling is worth it.
 Finding beauty in the dissonance.

There was a time that the pieces fit, but I watched them fall away.
 Mildewed and smoldering, strangled by our coveting
 I've done the math enough to know the dangers of our second guessing.
 Doomed to crumble unless we grow, and strengthen our communication.

Cold silence
 has a tendency
 to atrophy any
 sense of compassion
 between supposed lovers,
 between supposed brothers,

I know the pieces fit [8x]
